

Terms of Use — Time Capsule

Welcome to **Time Capsule** (“we”, “our”, “the platform”). These Terms of Use (“Terms”) govern your access to and use of the website <https://timecapsules.xyz>, as well as all services, features, content, and functionality provided by Time Capsule. By accessing, registering, or using the platform in any manner, you confirm that you have read, understood, and agree to be legally bound by these Terms. If you do not agree with any part of these Terms, you must immediately discontinue use of the platform.

Time Capsule is an advanced technology platform operating at the intersection of artificial intelligence, digital identity modeling, and Web3 infrastructure. The platform enables users to create digital representations of their personality through structured data input, behavioral analysis, and machine learning systems. Due to the innovative and evolving nature of these technologies, users acknowledge that certain features may be experimental and subject to continuous development.

1. Platform Description and Scope of Services

Time Capsule provides users with access to a digital environment where they can create, manage, and interact with AI-driven personality models (“Digital Capsules”). These models are generated based on user-provided data, behavioral patterns, and interaction history.

The platform may include, but is not limited to:

- creation and management of digital identity capsules
- AI-based interaction and simulation of decision-making
- data storage and processing services
- integration with blockchain networks and digital assets
- access to premium features and advanced functionalities

All services are provided for informational, technological, and experimental purposes only and should not be interpreted as financial, legal, psychological, or professional advice.

2. Eligibility and Legal Capacity

By using Time Capsule, you represent and warrant that:

- you are at least 18 years of age or the legal age of majority in your jurisdiction

- you possess the legal capacity to enter into binding agreements
- your use of the platform does not violate any applicable laws or regulations

You are solely responsible for ensuring that your access and use of the platform are lawful in your country or region.

3. Account Registration and Security

To access certain features of the platform, you may be required to create an account or connect a blockchain wallet. You agree to provide accurate, current, and complete information during registration and to keep such information updated.

You are fully responsible for:

- maintaining the confidentiality of your login credentials
- securing access to your connected wallet
- all activities conducted under your account

Time Capsule does not store or have access to your private keys. As a result, we are unable to recover lost credentials or reverse blockchain transactions. Any actions performed through your account or wallet are considered authorized by you.

4. User Conduct and Acceptable Use

You agree to use the platform in a lawful, ethical, and responsible manner. You must not:

- engage in any unlawful, fraudulent, or harmful activity
- attempt to exploit vulnerabilities or bypass security mechanisms
- upload or distribute malicious software or harmful content
- impersonate another individual or misrepresent your identity
- use the platform in a way that could damage its functionality or reputation

We reserve the right to investigate and take appropriate action against any violation of these Terms, including suspension or termination of access.

5. User Data and Digital Identity

Time Capsule allows users to create and develop a digital identity through data input and interaction with AI systems. You retain full ownership of all data you provide, including any content used to build your digital model.

By submitting data to the platform, you grant Time Capsule a limited, non-exclusive, worldwide, and revocable license to:

- process and analyze your data
- train and maintain your personal AI model
- improve platform performance and functionality

This license is strictly limited to the operation of the platform and does not grant ownership rights to Time Capsule.

6. Artificial Intelligence and Output Disclaimer

The platform utilizes artificial intelligence technologies to generate outputs, simulate behavior, and model decision-making processes. You acknowledge and agree that:

- AI-generated responses are probabilistic and may contain inaccuracies
- outputs are based on patterns and data, not verified facts
- the platform does not guarantee reliability, completeness, or suitability

You agree not to rely solely on the platform for making critical decisions, including financial, legal, or personal matters.

7. Blockchain and Digital Assets

Time Capsule may integrate blockchain technology and support the use of digital assets, including **TC (Time Capsule Token)**. By interacting with blockchain features, you acknowledge that:

- digital assets are subject to market volatility and risk
- blockchain transactions are irreversible and cannot be modified
- you are solely responsible for managing your wallet and transactions

Time Capsule does not provide financial advice and is not liable for any losses related to digital assets, smart contracts, or third-party blockchain services.

8. Fees, Payments, and Token Usage

Certain services within the platform may require payment in fiat currency or digital assets, including TC tokens. These may include:

- creation of digital capsules
- storage of user data
- access to AI processing and advanced features

All applicable fees will be disclosed prior to use. By proceeding with a transaction, you agree to pay the specified amount and acknowledge that all payments are final unless otherwise stated.

9. Intellectual Property Rights

All intellectual property related to the platform, including but not limited to software, design, trademarks, logos, and content, is owned by Time Capsule or its licensors and is protected under applicable laws.

You agree not to:

- copy, reproduce, or distribute platform materials without permission
- reverse engineer or attempt to extract source code
- use the platform's branding for unauthorized purposes

10. Limitation of Liability

To the fullest extent permitted by law, Time Capsule shall not be liable for any direct, indirect, incidental, or consequential damages arising from:

- use or inability to use the platform
- loss of data, assets, or profits
- unauthorized access to your account
- errors or interruptions in service
- inaccuracies in AI-generated outputs

The platform is provided on an “as is” and “as available” basis without warranties of any kind.

11. Indemnification

You agree to indemnify and hold harmless Time Capsule, its team, partners, and affiliates from any claims, damages, liabilities, or expenses arising from:

- your use of the platform
- your violation of these Terms
- your infringement of any third-party rights

12. Suspension and Termination

We reserve the right to suspend, restrict, or terminate your access to the platform at any time, with or without notice, if we believe you have violated these Terms or engaged in harmful behavior.

You may discontinue use of the platform at any time.

13. Modifications to the Terms

Time Capsule may update or modify these Terms at its sole discretion. Updated versions will be published on the platform. Continued use of the platform after such changes constitutes your acceptance of the revised Terms.

14. Governing Law and Jurisdiction

These Terms shall be governed by and interpreted in accordance with applicable international laws and principles. Any disputes arising from these Terms shall be resolved in accordance with relevant legal frameworks.
